

Prayer for Extended Family

We lift up our extended family to you right now. There are so many aunts, uncles, cousins, etc... people who matter, people we love, and appreciate. Unfortunately, there is not enough time in a day to maintain close relationships with everyone. We pray that we would have grace with our extended family and that they would have grace with us. May you affirm them and give them peace, reminding them that they matter. We pray a blessing for each of their families, asking that you would wrap them in your love, provide for their needs, fill them with your joy, and reveal yourself to them in great ways. We pray that you would help us all to open up our schedules so that we can spend a little more time building these relationships in Jesus' name. Amen.
